- Participating in this workshop has changed my way of thinking about money and how money should be managed and distributed.

#### What suggestions do you have to make this workshop more impactful?

- I liked it! I thought it was very interactive which kept me engaged! Never a dull moment.
- You did a wonderful job. I could understand you and appreciate all the information you shared with the class. Thank God for you! The course is GREAT!
- It was impactful but I really need one-on-one. My life is a little different.
- It was wonderful! I hate that I had to miss a day, but I had an unexpected situation occur.
- This class must be offered again! More of the same (presentation, knowledge, and expertise with a touch of Riddick personality = impactful workshop)
